

We sincerely thank you for your patronage and support.

We are Fiddletown's premier sandwich and candy shop. Our sandwiches and confections are made fresh. The sandwiches are made to order.

We began as strictly a candy manufacturer later opening a retail shop, selling only our toffees and Celtic candies. With most food establishments in Plymouth closed and the Covid19 Shelter-In-Place rules we began making sandwiches to help the community through the trying times of the shut-down. We make both breakfast and lunch sandwiches, with that said, we will make any of these sandwiches throughout the course of the day.

In the naming of our sandwiches we wanted to honor those who came before us. So, we've chosen names that are local to Fiddletown and the area.

We accept all major credit cards
